Company Overview

Bridgepoint Wellness LA brings 20+ years of front-line experience to Los Angeles County — beginning in construction support and project coordination for a family-owned construction business, and expanding into community outreach, housing programs, and public-sector service delivery. We provide government agencies and prime contractors with the program management, outreach execution, and community trust-building that drives real participation and measurable outcomes. Where other vendors deliver reports, we deliver relationships.

Our bilingual, community-rooted teams have supported housing stability campaigns, behavioral health outreach, and public-sector initiatives across LA County — bringing on-time delivery, accurate KPI reporting, and the kind of deep community access that agencies cannot build overnight. We are WBE/MBE certified, SAM active, and LA County vendor ready.

Core Service Lanes

1. Project / Program Management (PMO)

We provide day-to-day operational leadership that keeps projects on scope, on schedule, and documented for accountability.

Services include:

- Project workplans and implementation timelines
- Vendor and stakeholder coordination
- Deliverable tracking and reporting
- Risk, issue, and escalation management
- KPI dashboards and progress reporting
- Meeting facilitation, notes, and follow-up management
- Contract administration and compliance documentation

Best fit for:

- County and city task orders
- Federal subcontracting support
- Housing, outreach, and community initiative management

2. Construction Support / Owner's Representative

We support capital and rehab projects by helping owners and agencies stay organized, informed, and on track through every phase of delivery.

Services include:

- Schedule and milestone tracking
- RFI and submittal tracking
- Change order and pay application coordination
- Punchlist and project closeout support
- Contractor communication and compliance support
- Site meeting coordination and documentation

Best fit for:

- Housing rehab and small facilities improvement projects
- City and County capital programs
- CDBG / ESG-related project administration

3. Event Coordination & Community Outreach

We design and execute outreach campaigns and events that connect communities to services, increase participation, and generate measurable outcomes.

Services include:

- Community outreach strategy and campaign planning
- Event planning, logistics, and vendor coordination
- Registration and attendance management
- Multilingual outreach coordination
- Resource fairs, workshops, and public education events
- Outreach tracking, KPI reporting, and media coordination

Best fit for:

- Public awareness campaigns and housing enrollment events
- Behavioral health and wellness initiatives
- County and city-funded outreach projects

Differentiators
